

DECLARATION AND LABELLING OF SAMPLES SENT TO LAB FOR PRE-QUALIFICATION

Pre-qualification samples are analyzed at NOAH's laboratory, and if needed by an external laboratory. Analyses will ensure that NOAH only accepts waste that is treatable and can be neutralized according to our processes, and within the law (Norwegian) of which we are licenced to operate.

CUSTOMER:	DATE:
CONTACT PERSON / MAIL ADDRESS:	PHONE:

TYPE OF WASTE / -AMOUNT: (A standard basis characterization requires normally 1 kg or L) TYPE OF INDUSTRY / PROCESS:	KNOWN HAZARD STATEMENT CODES: (According to ECHA / CLP)
